MOBSTARS

5th-6th Grade Team

Greetings,

We are thrilled about the possibility of your daughter joining the South Florida MOBSTARS Family. We wanted to give a brief overview of what is to come. Your daughter can expect to have practices two times per week, along with competing in leagues/tournaments each month, with the option for individual or group skill development sessions. The program will focus on the development of your child and guiding her towards reaching her full athletic potential. Therefore, training with our highly experienced team of skills trainers will be available year-round, and your daughter will receive a priority designation as an athlete in the program.

We are excited for the upcoming season and watching your young athlete grow! If you have any questions or concerns, you can reach out to Coach KD directly by messaging her in the chat box on the website.

**Warm Regards,
Coach KD 
President/CEO/Owner
